## Service

### Hide fields on the quick add Service Request.

It is now possible to hide the following on the quick add:

- Domestic business selector
- Name Code
- Post Code
- Contact Person
- Sales Price Group
- Identity Number

Manage ▾ Sales ▾ Service ▾ Inventory ▾ Projects ▾ Financials ▾ Reports ▾ Tools ▾ Help ▾

### New Job Quick Add

Organisation ⌵

**Organisation Information**

AGB Client Name

Organisation Name  \* Telephone  \*

Policy Number

Organisation Email

Risk Address

Postcode

## Core

### **A new JSON api**

Pulse can now return data based on a SQL statement via a JSON api. Let us know if you'd like to build your own graphs or other functionality based on this feature.

### **Hide the Country Dropdown on the Client**

If you do all of your business in one country we can hide the country drop down from the client screen to simplify the interface.
